

PURSuing GOVERNMENT CONTRACTS CAN BE OVERWHELMING

It can take years to become knowledgeable and confident in navigating the government contracting (GovCon) sales process; and even then, sometimes you just need experienced, cost effective resources to help you implement a winning process to get the job done.

SIMPLIFYING THE PROCESS

Our GovCon Sales Accelerator package takes away the guesswork in the GovCon process and provides a tailored, simple, and repeatable process to identify and follow through on the opportunities that are right for your business, give you the highest chance of winning more contracts, and stop the cycle of spinning your wheels chasing random opportunities that drain your energy, motivation, and bank account.

- >  **GovCon Alignment Strategy Session**

- >  **1yr Market Intelligence Platform Subscription**
- >  **Custom Action Plan with Market Intelligence Report**
- >  **GovCon Business Development Advisory Support**

.....and access to discounts, tips, and other resources useful for doing business in GovCon.

"Targeting leads & pipeline startups are always challenging when it comes to sales and, most importantly, entrepreneurs as they may not be in a position to afford additional resources or tools yet to assist in that effort. One solution here is to engage advisors with subject matter expertise to assist in this critical work."
